

**PENZANCE  
COUNCIL**

# Penzance Council Annual Report 2019/2020

## Response to Covid-19

Our staff teams have continued to work throughout the Coronavirus pandemic to keep Council operations and services running for our residents.

Unfortunately, many events had to be cancelled or postponed due to the virus but we were able to act quickly to support local initiatives that were set up to help everyone during the lockdown.

In March, we mobilised our Social Action Fund to start making grant payments to local organisations, and groups helping our community, as part of a package of support to help everyone get through the crisis.

Over £18,000 was paid out to organisations including:

- St Petrocs
- Whole Again Communities
- Growing Links
- Pengarth Day Centre
- Solomon Browne Memorial Hall
- The Fisherman's Mission
- West Cornwall Women's Aid
- iSight Cornwall

We also worked closely with Cornwall Council to provide support to the vulnerable members of our community.

## Highlights of the Year

### Climate emergency strategy

We are very proud to be one of the first local councils in the country to adopt a Climate Emergency Plan. We are committed to leading the fight against climate change in Penzance and are looking forward to working with our partners, local residents and visitors to deliver our ambitious plans.

Most recently, we have granted £8,500 to Sustainable Penzance to design an online portal and a set of Community Toolkits to help households, businesses, and schools become more environmentally sustainable. The toolkits portal are expected to go live during Autumn 2020.

### Tackling anti-social behaviour

We took decisive action to secure the future of our Anti-Social Behaviour case worker after Cornwall Council reported that it was unable to continue to provide the same level of funding for the post. This would have led to the case worker reverting to cover the wider West Cornwall area, including Hayle, St Ives, Camborne, Pool and Redruth, rather than focusing Penzance alone.

We carried forward a £3,000 underspend to maintain the vital role until the end of May 2020 and have also allocated an additional £30,000 to secure the future of

the post for a further 12 months until the end of May 2021. This means we are now meet almost 80% of the costs of the post.

Alison Hernandez (Police and Crime Commissioner), Dorian Thomas (Anti-Social Behaviour Case Worker), and Cllr Nicole Broadhurst

### Funding bids

Penzance has been shortlisted to receive funding from both the High Streets Fund and the Towns Fund. This could see the town receive up to £50 million if both bids are successful. We were chosen as one of the towns to be considered for securing up to £25 million from the Government’s Future High Streets Fund last July. In September, the Government announced we had been chosen as one of the 100 towns to benefit from the Towns Fund. This could see us receiving up to £25 million to improve our transport links, broadband connectivity and skills and culture. We have been working with numerous stakeholders to develop detailed business cases to apply to both funds.

### Strategic Plan

We are making good progress in implementing our Strategic Plan. Formally adopted in 2018, the Plan sets out a wide range of actions aimed at making our parish a better place to live, work and grow. These include proposals to maintain and increase open and green spaces; improved services for older and young people and to promote community safety; expanding culture and sports opportunities and supporting projects to regenerate the parish.

### Tour of Britain

It was great to hear that Penzance had been chosen to host the formal launch of the Tour of Britain cycle race on September 6th. Unfortunately, due to Covid-19, this event has now been postponed until Autumn 2021. The event will see riders cycling across the town and out towards St Just where the official start will take place.

The Tour of Britain is the premier road cycling event in the UK and the most prestigious race in Britain and sees some of the world's best cyclists competing against each other. We are contributing up to £10,000 to Cornwall Council to help cover the costs of staging the Cornwall stage of the race.

### Prom refurbishment

The Promenade is one of the jewels in our crown and we are delighted that this much-needed restoration is finally taking place so residents and visitors can enjoy it for years to come. The £1.4 million scheme is due to be completed by late Autumn 2020. As part of this work we are contributing £60,000 to ensure that new flagpoles, benches, and pebble seats are included as part of the project.

# How the Council works

Penzance Council operates at the most local level of government with 20 Councillors elected for a term of four years. These Councillors work for the town and the surrounding areas and are supported by a small team of paid officers headed by the Town Clerk. As well as Penzance, the Council also represents the distinct communities of Newlyn, Eastern Green, Paul, Mousehole, Heamoor and Gulval.

The Council meets at least six times a year to take major decisions and oversee activities of the Council. The Council appoints four Committees from its membership:

- Finance and General Purposes
- Leisure and Amenities
- Penlee House
- Planning

The first three of these meets on an eight-weekly cycle. The Planning Committee meets approximately every three weeks to fulfil the Council's role as a statutory consultee on all planning applications.

## What our Committees do

### Finance and General Purposes Committee

The Committee has responsibility for overseeing the financial affairs of Penzance Council which includes making a recommendation to Full Council for a 3-year budget to enable the delivery of Council services and overseeing all aspects of Corporate Governance. The Committee also considers small grant applications for community groups; this year, a total of £7,350 was granted to 18 organisations.

Agendas are issued 6 days before meetings and are posted on our public noticeboard and on the Council's website.

These Committees are supported by a specialised Climate Emergency Sub-Committee.

We also have the following working groups:

- Coach House Refurbishment
- Communications Strategy
- Devolution
- Public Toilets
- Social Action
- Website
- Youth Services

Councillors are also appointed to represent the Council on local outside organisations.

The press and public are welcome to attend Committee and full Council meetings and have the opportunity to put questions, or comment, on agenda items at the beginning of the proceedings. The minutes for Committee and Council meetings are published once they have been approved and can be viewed on Penzance Council's website at:

[www.penzance-tc.gov.uk](http://www.penzance-tc.gov.uk)

The Calendar of Meetings for the Year is also on the Council's website and notice board. Please contact Hester Hunt, Town Clerk for any information regarding Council meetings by emailing:

[info@penzance-tc.gov.uk](mailto:info@penzance-tc.gov.uk).

### Leisure and Amenities Committee

The Leisure and Amenities Committee is responsible for the maintenance and management of a number of Penzance Council assets. These assets range from open space and public amenity sites to buildings owned or managed by the Penzance Council and the delivery of key public services across the Parish. Whilst the work of the committee is varied and challenging, the Leisure and Amenities Committee has a direct ability to positively influence and affect a number of the "public facing" responsibilities of Penzance Council.

Subjects discussed this year include:

## PENZANCE TOWN COUNCIL

- Devolution Assessment and Survey Reports
- Weed Treatment
- CCTV expansion
- Flag Projects
- Penlee Park investment and improvements
- Public Toilet Service Delivery and Community Toilet Scheme
- Operational Performance
- Introduction of Asset Maintenance Programmes

### Penlee House Committee

The Penlee House Committee deals with all matters relating to the control and management of the Art Gallery and Museum within Penlee House. The Committee establishes service policies, approves

## Annual Report 2019/2020

programmes of work, monitors performance and takes decisions in respect of those matters detailed in the approved budget and provides reports on the implementation of service policies.

Over the past year the Committee has approved policies and procedures relating to Museum Accreditation, Health & Safety and has considered and recommended measures to increase income generation.

### Planning Committee

Penzance Council is a consultee for all Penzance Parish planning applications and the Planning Committee meets at regular 3-weekly intervals. Over the past year the Committee has commented on over 280 planning applications. These include the conversion and revitalisation of some iconic buildings and sites such as the former Trelawney Garage in Morrab Road and plans for 127 new homes, (including 38 affordable homes) on the site of the former Penwith District Council Offices at St Clare (York House). The Committee also commented on changes to the Cliff Hotel on Penrose Terrace at the entrance to the town and the proposal to add a nave to the north side of the Catholic Church in Rosevean Road, completing the vision of the original plans when the Church was built in 1843.

## Devolution

---

We are continuing to work closely with Cornwall Council and local communities to take over the running of a wide range of local services. This will enable the community to have more control and investment in the town and its assets.

We took over the management of the public toilets in the town and are continuing to help subsidise Jubilee Pool.

We are now planning to take on a number of additional assets so we can improve them for the local community. We have already taken steps to put funding in place for the next phase of projects so work can begin as soon as the handover has taken place.

This next phase will include the management of Alexandra Play Park and the adjacent tennis courts – as well as the Princess May Recreation Ground and Foxes Lane Play Park in Mousehole.

Devolution is a good opportunity for partnership working, enabling the community to have more control and investment in the town and its assets.

### Spotlight on Climate Emergency

We are committed to leading the fight against climate change in Penzance. We have adopted an exciting and far-reaching Climate Emergency Plan which will put us at the forefront of the battle to tackle climate change.

## PENZANCE TOWN COUNCIL

The Plan sets out how we will take action to put our own house in order as well as working with partners to support the work of community based groups and raise public awareness of the importance of taking action to reduce carbon emissions, and restore ecology. Our “In-house” actions so far include upgrading gardening equipment to electric or battery powered where we can; establishing an office recycling rota;

## Our Services

We provide a range of services to the local community and the large number of tourists who visit the town every year.

### Allotments

We manage approximately 200 allotment plots across the parish. Places are only available to people who live in the parish of Penzance. Last year we introduced a new policy and new lease arrangements which are working well. While changes in the way sites are managed has continued to help reduce the number of people waiting for an allotment, there are still waiting lists on many of the sites. As a result, plots which become available may be split into two where appropriate, in the hope of bringing the waiting list down more quickly.

We are also working hard to improve the standard of all the sites.

### Penlee Car Park

We are responsible for the management of Penlee car park (next to Penlee Park). It provides good value long-stay parking for people working in and visiting Penzance: the current price for a 24-hour ticket is £1.90 (subject to annual review). The car park has 141 spaces, four of which are allocated for disabled badge holders.

We also operate a Quarterly Parking Permit to provide further cost savings to those who use the car park regularly. You can find out more information at: <https://www.penzance-tc.gov.uk/penlee-car-park-long-stay/> We use any surplus income to maintain the gardens and buildings that are within Penlee Park.

### Grants

We operate a small grants scheme to help community groups and the voluntary sector, supporting initiatives and providing funding for such things as fairs and events, our local Farmers' Market and talented members of sporting associations. Over the past year, £7,350 has been granted to 18 organisations. As well as small grants we also provide sums of over £500 as match-funding for larger schemes. In the last year we provided funding to 14 organisations including Pengarth Day Centre, Jubilee Pool and Penlee Park Open Air Theatre.

stopping the use of glyphosate-based weed clearance; and changing our procurement contracts to favour companies who are actively considering the environment. We are also exploring options to upgrade our office buildings to reduce our energy demand; researching the options to change to green energy tariffs; and investigating upgrading our service vehicles to be electric where we can.

### Penzance Christmas Lights

We are responsible for the hire, installation and maintenance of the suspended Christmas lights throughout Penzance and the provision and lighting of the Christmas tree adjacent to Market House. The Christmas light delivery requires the development of strong working relationships with residents, businesses and contractors within the parish.

We also provided grants to other areas within the parish to support their Christmas light displays with financial contributions being made to Mousehole, Newlyn, Heamoor and Gulval.

### Penlee House Gallery & Museum

Penlee House Gallery & Museum is a unique cultural venue, exhibiting paintings by the internationally renowned Newlyn School painters and Lamorna artists, as well as preserving the archaeological and social history of West Cornwall. Admission is free for residents in the Penzance Council area. Please just bring along proof of address to receive your pass.

## PENZANCE TOWN COUNCIL

Penlee House welcomed over 27,386 visitors on-site and worked with 521 people in outreach activities in the local community in 2019/20.

In 2019/20 Penlee staged five exhibitions, including a major exhibition about the artist Alfred Munnings and his life in Cornwall. The 'Penzance Selects' exhibition saw 30 members of the local community, of all ages, selecting paintings and objects from the collections and reinterpreting them for visitors. They also worked with Carefree Cornwall, WILD Young Parents, Mounts Bay Academy and the John Daniel Centre.

The Arts & Health programme has been nominated for an award for providing workshops for people living with long-term mental and physical health conditions. Penlee House closed due to the Covid-19 pandemic on 18 March 2020, however during the lockdown period, created loads of online content and engagement activities.

### Penlee Park

Our Leisure and Amenities Team are based in Penlee Park which is well used by many different user groups. Penlee Park contains a wide and diverse number of elements, including an open-air theatre, a well-used play park, formal planting, wild planting, open spaces, tennis courts and a memorial garden.

Over the past 12 months we have carried out planting at the Trewithen Road entrance, as well as completing a £25,000 refurbishment of the toddler play equipment. This included installing a wheelchair accessible roundabout. Work has also started on improvements to the second Morrab road entrance as well as the re-planting of the sensory garden.

### Public Toilets

We took over the operation of six public toilets from Cornwall Council in 2016. Over the past 12 months we have redecorated three toilets and installed new pay to enter systems at the TIC toilets at the transport interchange.

### Community Toilet Scheme

We were one of the first local councils to introduce a 'Community Toilet Scheme' which sees local businesses encouraged to open their doors and facilities to members of the public. Last year 11 local businesses across Penzance and Newlyn took part in the scheme. From July 2020 we will have 14 businesses involved, with new locations in Heamoor, Gulval, Newlyn, and Penzance. We have received some great feedback from local residents and visitors and are working with our partners to encourage more businesses to join the scheme. You can find out more at: <https://www.penzance-tc.gov.uk/toilets-in-and-around-penzance/>

### [around-penzance/](https://www.penzance-tc.gov.uk/toilets-in-and-around-penzance/)

### Wherrytown Skatepark

Working closely with Kerbs Skateboard Association, we manage and maintain the Wherrytown Skatepark. The skatepark is very well used by residents and visitors carrying out a variety of "skate inspired" sports. The cleanliness and upkeep of the facility is credit to the Kerbs Association who promote ownership and responsibility amongst the park users to ensure that the facility remains in good condition. During the last year we have installed a multi waste and recycling bin on the site and repaired several floodlights allowing the site to be used in the evenings in winter months.

### CCTV

Protecting public spaces and making our residents feel safe is one of our key priorities. We own and maintain seventeen CCTV cameras throughout the town as part of a partnership programme with nine other local town councils. We also contribute to the costs of carrying out the centralised monitoring of this system from the control centre in Tolvaddon which helps to link and support the emergency services in the resolution of issues.

This year we have made a number of upgrades to the system and focused on improving coverage across the parish. We are also trialling the use of deployable cameras which can be moved into different locations across the town

## Projects we supported

We give financial support to community organisations through both a small grants fund and a strategic grant partnership programme for larger projects which benefit our parish.

Here's a brief snapshot of some of the strategic partners we supported this year:

### Community Safety

We are proud to be a member of the Safer Cornwall partnership which has been working hard to improve community safety and tackle anti-social behaviour. As well as the recruitment of our anti-social behaviour case worker, there has been an increase in the number of police and anti-social behaviour patrols; greater enforcement and awareness raising of how and where to report concerns; more regular engagement with business owners; more early intervention and prevention work to refer offenders to local support services. Other actions have included weekly drop-in sessions at Penzance One Stop Shop, St John's Hall, for people to report anti-social behaviour problems; a Cold Weather Provision Night Shelter for rough sleepers and swifter responses to reports of needles being found. As a result, we have seen a 15% reduction in recorded crime in Penzance, with the greatest reductions seen in theft offences, criminal damage and violence. There is still more work to be done but it is really positive to see such a significant reduction in crime in our parish.

### Neighbourhood Plan

As a member of the Neighbourhood Plan group we have been involved in the organisation from the start and have helped provide around £23,000 to support the development of the plan. Work on developing the plan is going well, with many community groups across the parish being involved. The final draft has been delayed by the Coronavirus pandemic but is due to go out to public consultation in May 2021. The plan will play a key role in driving regeneration and helping to continue to turn around the fortunes of Penzance, so it is vital that the community has the chance to help shape the future of our parish.

### Gulval, Newlyn, Heamoor, and Mousehole Lights

As well as organising the Penzance Christmas lights, we helped to fund the voluntary groups that organised the Christmas lights in Newlyn, Heamoor, Gulval and Mousehole for Christmas 2019. The community groups carry out various fundraising events throughout the year to raise money.

### St Piran In Penwith

A voluntary, non-profit making group, the St Piran in Penwith Committee was set up 14 years ago with the aim of encouraging young people to have an interest in

Cornish culture – through song, music and dance. Our grant allowed the group to continue its St Piran Celebrations - including the annual St Piran Concert and Furry Procession.

St Piran's Day Furry Procession 2020  
Photo: Greg Martin / Cornwall Live

### National Trust Welcome Centre

The Welcome Centre is the only dedicated provider of visitor information in Penzance. Open 7 days a week throughout the summer and closed on Sundays during the winter, the centre offers visitors impartial advice on things to see and do in Penzance and the surrounding areas, as well as information on public transport, accommodation and booking local events.

The Centre also provides window space to local organisations and community-led initiatives. We provide a grant towards the costs of operating the Centre, with the remaining income coming from shop sales and commissions from bookings.

## PENZANCE TOWN COUNCIL

### Penzance Street Pastors

The Pastors are part of a national team that trains volunteers from local churches to engage with people where they are - usually in a town or city centre late at night on Fridays and Saturdays. A Street Pastor is a Church member with a concern for society – in particular young people who feel themselves to be excluded and marginalised. The Street Pastor groups work in partnership with the police, local council and other statutory agencies and usually patrol from 10 p.m. to 4 a.m. on a Friday or Saturday night to care for, listen to and help people who are out on the streets.

### Penlee Park Open Air Theatre

Operated by Cornwall Youth Theatre, the venue has been in operation since 1947 and is a unique outdoor theatre space in the heart of Penzance. The Theatre has celebrated Cornish, national and international performers and offers a wide range of performances throughout the summer, has parking nearby and seats around 300 people.

This year's programme unfortunately had to be cancelled due to the Covid-19 pandemic.

### Pengarth Day Centre

Pengarth supports local people in their late fifties and onwards and aims to reduce loneliness and isolation which can lead to depression, giving peace of mind to their families and carers who may be living far away. The centre provides a warm, safe environment with professional day care to ensure people live safely, enabling people to come home sooner from hospital; acting as a liaison between district nurses and doctors; delivering meals when required and promoting good nutrition - encouraging independence and dignity in older age.

### Penzance Community Flora Group

Set up in 2011, Penzance Community Flora Group, is comprised entirely of volunteers and looks after many of the town's hanging baskets, planters, and flower beds.

## Annual Report 2019/2020

We provide financial support to the group and have previously helped with watering. Next year we will be delivering a town wide watering programme so that they can grow plants and look after weeding, tidying and planting in various locations around the town. The volunteers also plant up the tiered planters on Causewayhead and hanging baskets for other retail outlets around the town.

Throughout the past year, the group has been busy improving additional areas of the town – including the flowerbeds around St John's Hall, Abbey Basin and St Anthony's Gardens. The group is also looking to once again enter Penzance in the prestigious Britain in Bloom competition next year.

### Jubilee Pool

The Pool is operated by Jubilee Pool Penzance Ltd, a Community Benefit Society (CBS), trading as Friends of Jubilee Pool. The CBS are supported by Penzance Council and Cornwall Council. Our grant contributes towards the operational costs of opening the pool to the public and ensures reduced cost incentives are provided for residents in the parish.

### Social Action Fund

Our Social Action Fund was set up to help address social issues affecting the parish – including anti-social behaviour, rough sleeping, street drinking and drug abuse. While statutory responsibility for these issues typically rests with Cornwall Council or the Police, we wanted to take a more active supporting role and set aside £25,000 a year to support local projects.

Photo: Josh Appel on Unsplash

During the Coronavirus crisis we also mobilised a further £20,200 for Social Action to support projects that were directly helping our community. In total, we spent £18,969 which went directly to grant recipients and was used to produce and distribute information leaflets around the parish.

The Solomon Browne Memorial Hall was awarded £1,000 to help implement new ways to help support the village community of Mousehole including: establishing a volunteer network to help the most vulnerable residents; setting up a telephone helpline; producing and distributing smile bags with pictures from local school children, books, and soap; and providing small emergency supply grants to help people who couldn't leave their home or were unable to access cash.

### Golowan

Organised and delivered by Golowan Festival CIC, Golowan is a community arts festival celebrating midsummer and the Feast of St John. Now a major fixture in the summer calendar for Penzance and the community of Cornwall, the festival also attracts residents and tourists from across the UK and from overseas. The festival offers a programme of music, theatre, procession, fireworks and street events. Whilst costing over £85,000 to organise, the festival brings in over £1million to the local economy.

It is with great sadness that Golowan 2020 had to be cancelled to protect the health of local residents, performers and spectators from the impact of the Covid-19. We know that many people and organisations have been working very hard to prepare for the 2020 festival and we look forward to working

with them to stage an even bigger and better event next year.

Photo: Greg Martin / Cornwall Live

### Montol

Montol is run by The Cornish Culture Association, a registered charity whose purpose is to promote Cornish culture for the benefit of the community. The Montol Festival is a six-day arts and community festival celebrating the midwinter solstice.

In 2019/20 the charity received £2,500 from Penzance Council to help meet the costs of organising and staging this key event in the parish calendar. Over the last 10 years, the Montol festival has become an important contributor to the town's winter economy and its cultural life. At its peak, around 5,000 people visit the town to view the spectacular costumes associated with the tradition of "guise dancing". The charity also operates the largest online resource for information on Cornish Culture [www.cornishculture.co.uk](http://www.cornishculture.co.uk) which has now attracted over a million visitors since its launch. Unfortunately, due to Covid-19, Montol has been cancelled for December 2020.

# News in Brief

## Pride in Parks Award – Five Stars

Penlee Park was awarded five stars in the Pride in Parks Award by South West in Bloom, one of eighteen competitions that make up RHS Britain in Bloom.

The judges praised the park's wide variety of trees, well-maintain grass areas and ongoing improvement works of the Head Gardener.

The gardening team works all year round to maintain and improve the gardens for all residents and visitors in Penzance to enjoy. They are already looking ahead to new projects for the coming year including obtaining Green Heritage Site Accreditation in the future.

## Local Council Award

We were delighted to receive a Foundation Award from the National Association for Local Councils (NALC). The award is part of the Local Council Award scheme which was set up in 2014 to celebrate the successes of the very best local councils.

The award confirms that our Council meets the required standards for operating lawfully, and we are building a foundation for improvement and development. We were presented with our award by Charlotte Eisenhart, Head of Member Services for NALC) in February. We are now working towards a Quality Award.

## New Charter Market

We are very proud of all our local markets which give local residents and visitors the chance to sample and buy fantastic local produce. This year saw the introduction of a new Charter Market to complement our existing Farmers and Country Markets. The Charter Market takes place on the last Saturday of the month in the Market Place. The Mayor and councillors are often present with the Deputy Town Crier.

## Great Town Award

Penzance was voted as the best town in the UK and Ireland in the prestigious 2020 Urbanism Awards. Judges praised the way the community has taken the lead in the regeneration of the town, both through the neighbourhood plan and transformational projects like the Jubilee Pool. We are delighted to receive this award which recognises the positive way in which all parts of the town are working together to regenerate Penzance.

# Money Matters

The bulk of the Council's income comes from the Precept, which is a levy within your council tax. The rest of our revenue is made up from a range of sources including grants and income-generating activities.

The 2020/21 income and expenditure budget has been reviewed as a result of Covid-19 and will be kept under review throughout the year but here is a snapshot of where it comes from and how we will be spending it this year.

### 2020/2021 Budgeted Expenditure

- Penlee House
- Public & Community Toilets
- Administration & Governance
- Climate Emergency
- Surveys
- Penlee Park, Allotments & Open Spaces
- Civic Office
- CCTV
- Facilities Management
- Miscellaneous
- Contribution to Reserves
- Grants to Community Projects
- Neighbourhood Plan
- Equipment & Leases
- Weed Control
- Penlee Car Park
- Social Issues & ASB Case Worker Support
- Golowan & Flags Project
- Christmas Lighting
