COUNCIL**

Strategic Plan 2022-26

Your Council

We operate at the most local level of government.

Your Councillors work for you - residents of our town and surrounding areas.

As well as Penzance, the distinct communities of Newlyn, Mousehole, Paul, Heamoor, and Gulval are represented by their own elected Councillors.

Our Vision

To maintain and enhance our community for the well-being and prosperity of present and future generations.

We are committed to working closely with all our local communities across the Parish to achieve this.

Our Mission

To make the community (of Penzance Council) a better place to live, work and grow.

What is a Strategic Plan?

A Strategic Plan helps an organisation set out exactly what it wants to achieve - a plan of action.

The Plan will provide a focus for Councillors to make decisions and for Officers to put these into action.

Our plan will need to grow over time and adapt to changes in our local communities like housing, employment, the growing creative sector, and the climate emergency.

Our new Strategic Plan sets out our key focus areas for the next four years.

We have identified seven key focus areas to work on over the coming four years.

Each decision that is taken by the Council will need to demonstrate how it is helping to meet our key focus areas.

Our Key Focus Areas

Our Culture

We will work to promote, support, and nurture the distinct cultural heritage and identity of our Parish.

Our Decision Making

We will make sure your council is accessible, fair, transparent, and inclusive

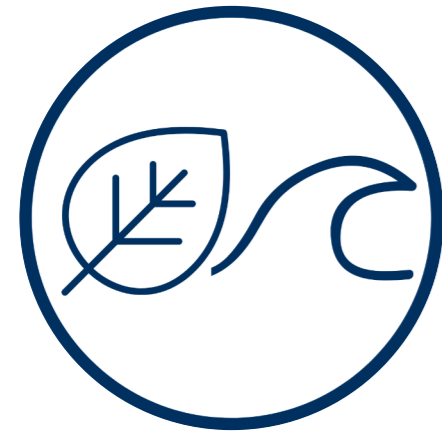

Our People

We will continue to build strong community partnerships and engage fully with all our residents.

Our Places

We celebrate the distinct communities within our Parish and will make sure all areas are fairly represented.

Our Environment

We will work to promote, protect, and enhance the natural environment of our Parish, making sure it is accessible for all.

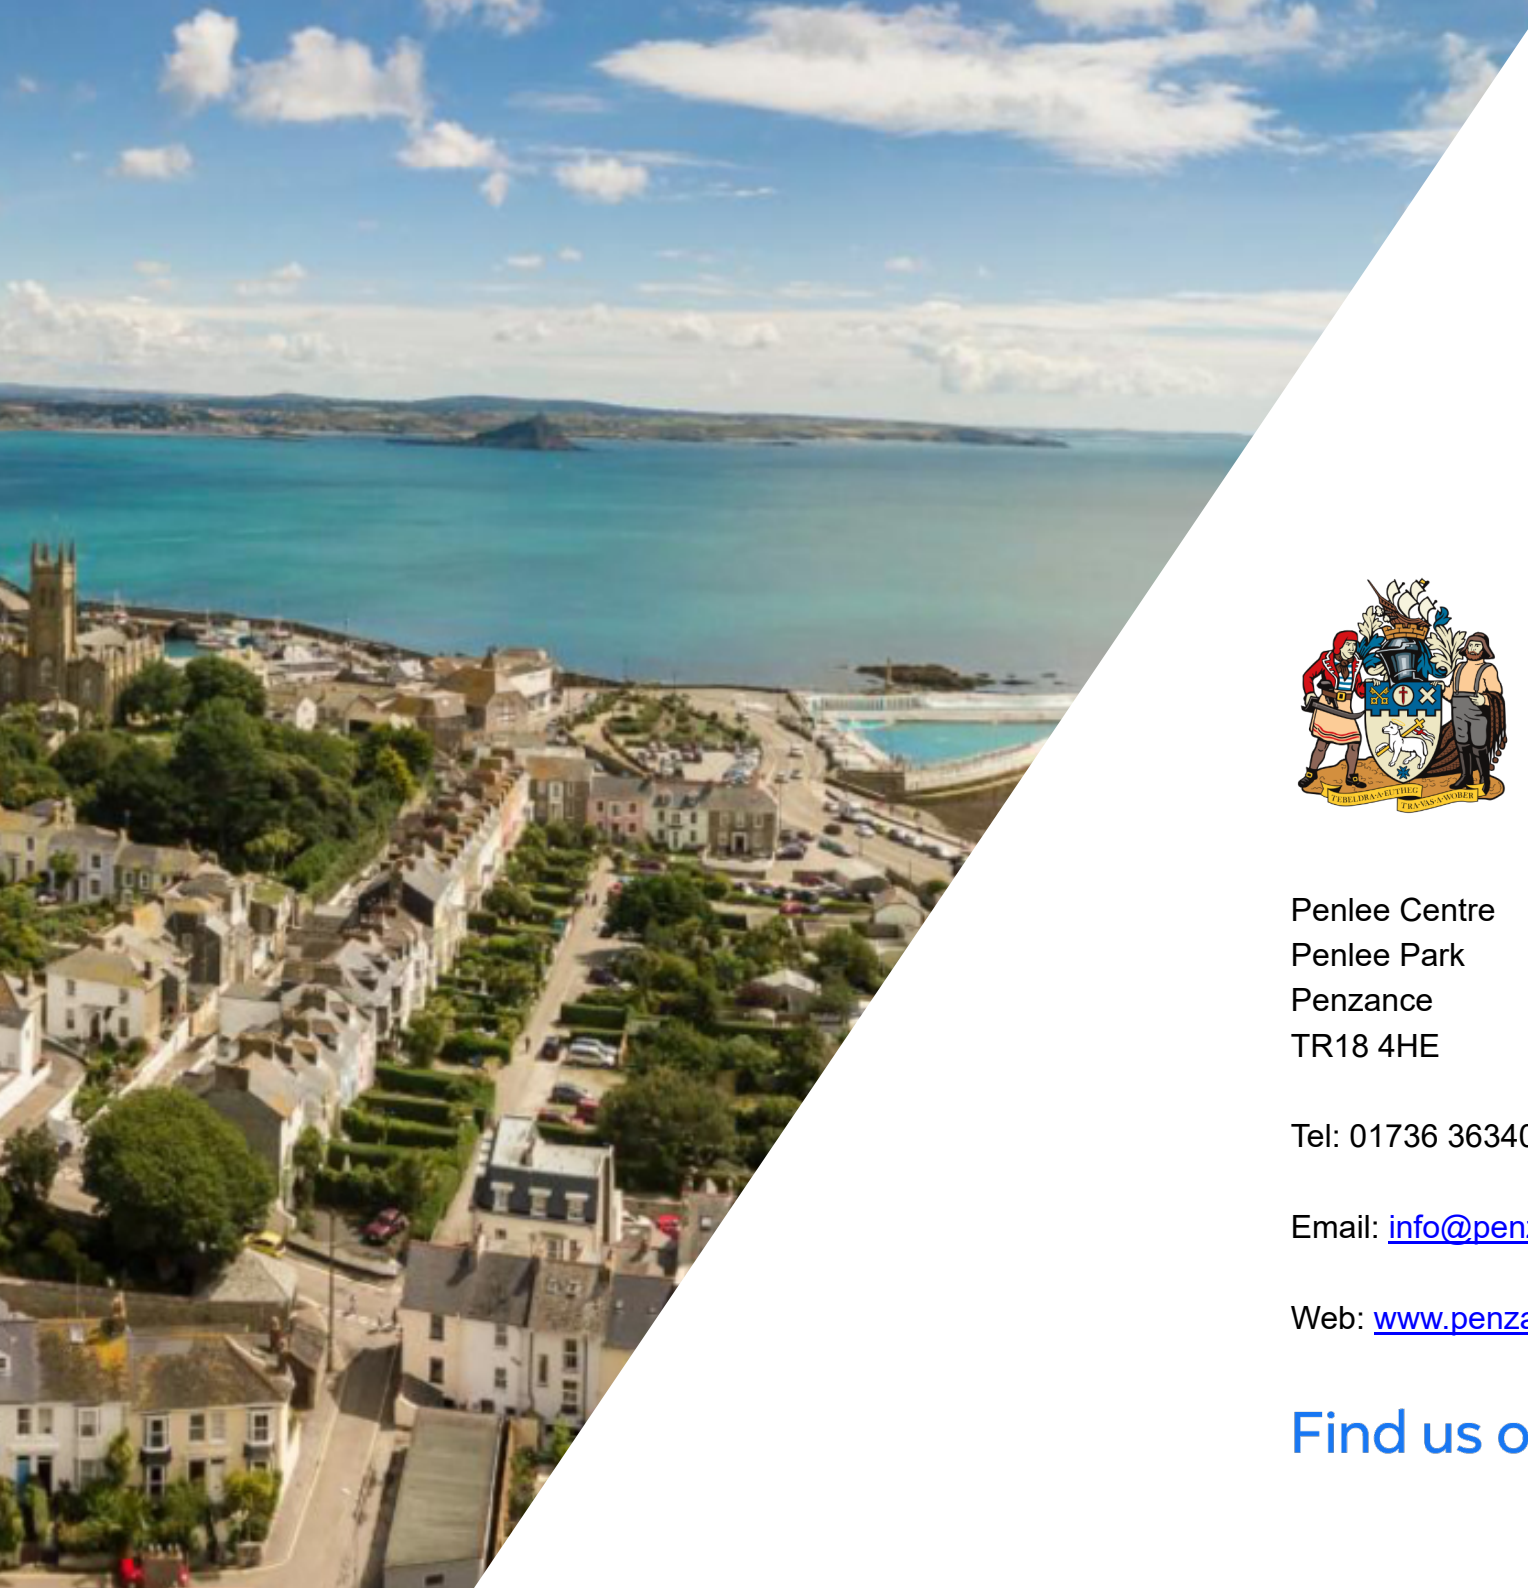

Our Money

We will make sure your money is well managed and continue to provide funding opportunities to support community organisations.

Our Resilience & Wellbeing

We will work to make sure our Parish is resilient for the future and offer a safe and healthy environment for everyone.
